

Missouri State Board of  
The Ancient Order of Hibernians

10/2/17

To: All Division Presidents  
From: Joe Flanagin, President, Missouri Sate Board  
Re: The Month of October (please share with your Division)

In our Holy Church, the month of October is designated “Respect Life Month” which is an issue that should be on the mind and in the prayers of all Hibernians considering the massive loss of life in Las Vegas this morning. For all of the Born and Unborn, the AOH remains firm in our stance against all laws or other protections that allow for the legal termination of life for any reason. Therefore I am asking all Division Presidents to designate all prayers in your division meeting directed towards the end of such practices in the United States and for the tragic loss of life in Las Vegas.

The other activity this month will be the convening of your State Board and East vs. West Hurling Match at Fr. Tolton HS in Columbia, Missouri on October 14. As requested previously, we want to have Division Presidents attend or at least one person from each division. (meeting is open to all Hibernians.) The agenda will have ample time for any requests or issues to be brought in front of the board for discussion and action.

Also, we are working hard to establish the Central Missouri Division and are publicizing the hurling game as a recruitment event. We could use the manpower of the leadership of the AOH in Missouri to help meet potential members. Everyone is welcome and it is free. I am starting to hear some side bets and chest pounding from some of the boys about the match already! See you soon.

May neighbors respect you,  
Trouble neglect you,  
The angels protect you,  
And heaven accept you.
